

From the Editor,

We are pleased to inform you that the Bulletin of the ASI has now a website and the address is <http://www.ncra.tifr.res.in/~basi>. All articles will appear simultaneously on the webpage as soon as the issue is brought out. We plan to link our website to ADS shortly.

We request you to kindly submit your articles through electronic submission in PDF or PostScript format using the latex style file, the details of which are given in the Instructions to Authors. Manuscripts should be submitted by e-mail to basi@iiap.res.in

A LaTeX style file *basi.sty* for preparing your manuscript in the BASI format and a usage guide cum example file *basiguide.tex* are available online. The usage guide can also be obtained in the following formats: gzipped postscript or PDF. A LaTeX2e class *basi.cls* is now available.

We thank all those who supported and helped in the making of the web version of BASI.
